Location	East Shore District Health - 688 East Main Street, Branford CT
Service Area	Branford, East Haven, North Branford
Reports To	Deputy Director of Public Health
Status	Full-time – Union
Weekly Hours	40 (Varied Schedule with nights and weekend required as necessary)
Salary Range	\$61,085 - \$80,042

Position Summary

East Shore Health District is seeking a full-time Registered Environmental Health Specialist who will be responsible for performing work in all aspects of environmental public health. This position reports directly to the Deputy Director of Public Health and is responsible for conducting inspections of regulated facilities, reviewing subsurface sewage applications, responding to complaints, conducting field work such as soil tests and final subsurface sewage inspections, and other functions as listed below.

The health district offers a full scope of competitive benefits, including medical, dental, vision, state pension, 403 (b) optional retirement plan, short- & long-term disability, life insurance, paid holidays, and paid time off in accordance with the collective bargaining contract.

Qualifications

- Bachelor's degree, ideally with coursework in environmental health, public health, biology, sanitary engineering, or related field required.
- State of Connecticut Certified Food Inspector.
- Field experience in environmental health and enforcement of environmental health laws and regulations.
- Phase 1 and Phase 2 subsurface sewage certifications preferred.
- Registered Environmental Health Specialist / Registered Sanitarian preferred.
- Lead Inspector / Risk Assessor certification preferred.
- Must possess and maintain a valid driver's license.

Essential Functions

- Performs routine inspections of regulated facilities including food service establishments, public pools, cosmetology establishments, day care facilities, and hotel/motels.
- Performs plan reviews for regulated establishments.
- Performs subsurface sewage plan reviews, conducts soil tests and final subsurface sewage inspections.
- Ability to understand and follow the Connecticut General Statutes, Connecticut Public Health Code and local ordinances as applicable to investigate a wide variety of environmental complaints. Drafts notices of violation in response to public health complaints.
- Performs other duties and assists with functions and public health programming within the local health district.

Salary & Benefits

- Salary commensurate with experience.
- 40-hour work week with required night and weekend work as necessary.
- Paid vacation, sick time, personal days, and holidays.
- Health, dental, vision, and life insurance.
- Pension plan.

Physical Demands and Working Conditions

Work is performed in an office environment and in various community settings with travel to inspection sites. Work includes outside inspections in weather extremes. Work will be performed outside of normal business hours to respond to emergency situations and inspections/investigations as necessary. May be exposed to body fluids, hazardous waste material, toxins, and/or poisonous substances.

To Apply

Please submit a resume and letter of interest to East Shore Health District, 688 East Main Street, Branford, CT 06405, or by email to mtrofatter@esdhd.org. Applications will be accepted until the position is filled.

East Shore Health District is an equal opportunity employer. Women, minorities, veterans, and individuals with disabilities are encouraged to apply. Reasonable accommodation is available to qualified applicants and employees with disabilities, consistent with applicable law.
